

# SPORTSFEST

In the effort of getting some quality time outside the office while also building strong relationship with one another, Verger Delporte conducted its very first companywide Sports Fest. The said event was held at Sheikh Saeed Hall 1, Dubai World Trade Center, Dubai on the 11<sup>th</sup> of August 2017.

The event was attended by VD employees from all over the country. Emerging as champions for different sport categories are as follows:

- Cricket - Team 6 from Dubai Accommodation
- Basketball - Team White from Contracting Division
- Badminton - Mr. Karthi Mahalingam from Logistics Department

The cricket event had a total of 7 exciting matches with Team SGD and Team Dubai fighting head to head for the championship. It was also a close match for the Basketball event Team Yellow and Team White with the latter emerging as the champion. On the other hand, Mr. Karthi Mahalingam from Logistics Department prevailed in Badminton Championship against Mr. Samji Thomas of Switchgear Division.

It was truly invigorating to see everyone doing their best to win by supporting and working together to lift each other's morale and spirits. It is obvious that co-workers have built a new level of trust with one another while spectators are cheering them on for the win.

Commencing with the 40th anniversary celebration, Verger Delporte with the support of its top management will continue to hold Sports Fest regularly to instill a sense of unity and grow further the spirit of "Solidarity" among its staff, which drives the way Verger Delporte does its business.
